
Military Resettlement Courses, Resettlement Training

Â Â

...take full advantage of the resettlement provision to which you are entitled. It is an excellent package and it will help you in not just securing your first post-discharge job, but the self-marketing skills you develop will also be of benefit in subsequent jobs. Have faith in your abilities - leaving the certainties of life in the Forces is quite daunting for some people, but Service leavers have a tremendous amount to offer civilian employers...

Derek Twigg, former Minister for Veterans
